SUBJECT: AUTHORIZATION TO ORDER (ATO)

The California Department of Technology is pleased to have announced that the CALNET 3 Categories 2-7, Invitation for Bid (IFB) B solicitation has concluded. The second solicitation of the CALNET 3 Contractors has been fully executed and a notification of award was posted on March 26, 2014.

Local Government customers that would like to order services from or transition your existing services to the CALNET 3 Statewide Contract(s) are required to fill out a new ATO for CALNET 3 IFB-B, Categories 2-7.

A list of contractors and a description of the services, and the specific terms and conditions under which the services will be provided to a Non-state Entity are fully set forth in the contract. As each Contractor's catalog of services and pricing is completed and approved, the catalogs will be posted online and linked to the CALNET 3 website.

CALNET 3 is a multi-vendor contract. Customers may have multiple ATO's for like services.

Customized ATO forms have been created for each awarded Contractor. The forms and access to the CALNET 3 Statewide Contract(s) are available at the following website <http://marketing.dts.ca.gov/calnet3/>.

If you have questions regarding this ATR Bulletin please contact a CCSU representative at (916) 657-9150, or email us at CCSU@State.Ca.gov.

STEVE RUSHING, Deputy Director
Statewide Telecommunications and Network Division
Office of Technology Services (OTECH)
