CHIEF AGENCY TELECOMMUNICATIONS REPRESENTATIVE (CATR)/

STND-965 CATR DESIGNATION FORM
INFORMATION AND INSTRUCTIONS

PURPOSE:

Use the CATR Designation Form to add or change your agency's* designated CATR, or their related information.

Local government agencies are encouraged to designate CATRs/ATRs so they will receive pertinent information (e.g. relating to the CALNET Master Contract.)

*Agency is defined as any state government agency, department, office, board or commission.

BACKGROUND AND INFORMATION:

State agencies are required to provide an updated CATR Designation Form whenever there is a change in an agency's CATR designation(s). (Local government agencies are encouraged, but not required, to complete updated CATR designation forms.)

The updated information is used by STND to maintain a current list of authorized CATRs, and indicates the appointed CATRs have been cleared to act on behalf of the agency. This list is provided to the CALNET vendors so that they can determine who is authorized to place orders and expend funds for telecommunications products and services. These updated designations will also ensure timely receipt of pertinent information regarding the [CALNET Master Contract](#) and other telecommunications and network services information.

This information will be provided by e-mail, so it is important CATRs keep all e-mails updated. Additionally, CATRs or other interested parties are encouraged to visit STND website, [What's New In STND](#) page and subscribe to obtain automatic notification of new information.

A new form should be submitted any time the following changes occur:

1. A new CATR is appointed. (Each agency must have a single CATR at the supervisory level or above.)
2. A CATR or needs to be removed from the list.
3. There is a change to any of the information for a CATR (e.g. change of address, phone number, e-mail address).

When a CATR is designated or changed, the form should be signed by the supervisor/manager of the CATR.

Refer to the State Telecommunications Management Manual (STMM), [Chapter 0300.0](#) for more information on CATR responsibilities.

HOW TO COMPLETE THE FORM:

1. Download the [CATR Designation Form](#).
2. Check the appropriate box (es) under "Action to be taken." The instructions in the left hand column correspond to the letter of the box checked. Fill out all fields on the form for each

new CATR. **Please print clearly.**

3. If there is a change in the current CATR information, provide the new information in the appropriate box. For example, if the telephone number of the CATR has changed, check the box, "C. Change in CATR information", complete the information in numbers 1 and 2, then enter the new phone number with area code and extension in box 4. . .
4. The CATR or CATR's supervisor must sign and date the form.
